

Tumi Je Amar

Chaand Sequence

akashe
every cloud in this city is a rumor mocking me
so I run
but how can I cover my face?
how can I cover my face?
tu
tumi je amar
amar, amar

sohore
every wave on every sea
is a vast conspiracy
so I drown
but how could I take up more space?

how far away to the moon?
I don't know
two hundred thirty-eight thousand and them some
I hope they send us there soon
I don't know
I just don't know if I can do this
